Please sign up to receive my e-newsletter!

Dear Friends and Neighbors,

It is an honor to represent the great people of the 10th Legislative District. The district includes all of Island County and parts of Skagit and Snohomish counties. You will often hear me say that we have the prettiest region in the state and I firmly believe that!

Our region is anchored by a strong and diverse agricultural industry, but the 10th District is also unique in that many people rely on our state ferry system as their main mode of transportation. The district welcomes a large number of tourists and visitors every year thanks to a number of state parks, our beautiful coastline, and many popular attractions including Deception Pass State Park and the annual Skagit Valley Tulip Festival.

As much as we have to be proud of and look forward to, we know our communities face challenges. This requires us to work together to find long-term solutions that will reset, reform and reshape our state government. My door is always open to you, so please do not hesitate to contact me or my office if we can assist you in any way.

This government guide provides a convenient directory of federal, state, and local elected officials, as well as a list of other resources available to you. If you would like additional copies of this guide for yourself or an organization that you belong to, please contact my office. I also encourage you to sign up for my e-newsletter so that we can stay connected while I am in Olympia. You can sign up by visiting my website or calling my office.

Your voice matters and it's important that I hear from you, especially while I am in Olympia during legislative sessions. Your feedback helps me better represent you and our district. Please don't hesitate to contact me with your ideas, questions and concerns.

Thank you for allowing me to serve you in the Washington State Senate.

Go out and make it a great day!

A handwritten signature in cursive script that reads "Barbara Bailey". The signature is written in dark ink and is positioned above the printed name.

Resources in Our Community

We are very fortunate to be able to live in the most beautiful legislative district in the state. There are numerous benefits and opportunities for assistance offered by local services and advocacy groups. Our state parks are easy to access and unrivaled in their scenery. The Beach Watchers and Shore Stewards programs help to protect the Puget Sound. Food banks provide critically important food safety for many families in our district. In return, public support and volunteerism help these great programs to maintain our high quality of life. I have included some basic information about these wonderful programs in this guide.

Beach Watchers and Shore Stewards

Beach Watchers and Shore Stewards are volunteer programs that seek to improve and protect the Puget Sound, our shoreline properties, our rivers, and our streams. Both programs were founded here in the 10th District and have since expanded to counties across the Puget Sound. I have included links to both websites for you to visit if you would like to learn more:

www.beachwatchers.wsu.edu/ www.shorestewards.org

State Parks

State parks are our treasures, and there are numerous parks in the 10th Legislative District. Whether you are just going for the day or planning to spend the night camping, our parks are both fun and accessible. To make reservations, please call (888)-CAMPOUT (888-226-7677).

You can find more information on the Discover Pass, which is required to visit our state parks, at: <http://discoverpass.wa.gov/>. Volunteers that work on agency approved projects for twenty-four hours qualify for a free Discover Pass

Our 10th District state parks are:

Cama Beach	Fort Casey	Joseph Whidbey
Camano Island	Fort Ebey	Skagit Island
Deception Pass	Hope Island	South Whidbey

Food Banks

Food banks provide security for many families. For a comprehensive list of food banks and a detailed map of locations near you, please go to:

www.commerce.wa.gov/maps/

Conservation Districts

The Conservation Districts assist residents with the management and conservation of natural resources to provide a productive and healthy environment. The Districts are a political subdivision of state government that work with farmers, urban residents, rural and suburban landowners. Some of their programs include farm planning, forest stewardship, natural yard care, and low impact development. Conservation Districts also provide education classes and technical assistance. All of their programs and assistance are offered free of charge.
